EVS Rep

FT

If you believe like we do that cleanliness is next to Godliness we want you on our team. We have a beautiful casino and we need you to help us keep it that way.

Security Officer

PT

Research has shown that next to wearing a tuxedo people are their most attractive in uniforms. I guess that's why so many guests tell us what a great looking security staff we have. If you like helping people and can work any shift, then toss the tux and come try on one of our uniforms. You will be glad you did.

FT

Do you like analyze and research things? Do you have working knowledge of SQL and oracle? Then come join our team.

Casino Host

FT

A good host is hard to find, but if you're really good you can be a hero with your boss and a very popular person with the guests. First and foremost you must have impeccable decision making skills, understand that your role is to drive revenue and the ability to build a loyal player constituency. You also need one more thing ...computer know how and your way around a keyboard.
